Dear Friend:

On May 2, 2010, the Hewlett-East Rockaway Jewish Centre will hold its Cyber-Journal Dinner Dance celebrating our 60<sup>th</sup> anniversary and honoring two prominent members of our community, Liz and Harold Kislik. We are a major egalitarian congregation in an affluent community on the South Shore of Long Island, with almost 600 member families and because we are celebrating a milestone as well as honoring two pillars of our community, we expect a tremendous turnout.

The Annual Dinner Dance is the major fund raising event for our Synagogue. A substantial amount of money is raised each year by raffling off gifts and services donated by generous friends and merchants. We are looking for your help to support us with any goods or services you feel you can contribute. As you are aware, all contributions are tax deductible. In addition, all merchants who contribute raffle prizes will be listed in our Cyber-Journal which will be available online on our website for a year and will include an introductory note to encourage all visitors to our website to support the merchants who help support us.

Again, we would appreciate any item or items that you can contribute. You can send your donation directly to the above address, attention: Dinner Dance.

We thank you in advance for your support.

Sincerely,

Dinner Dance Raffle Committee
